

Lakeview Cottage Kids

“Pattern Tester’s Contract”

How to Apply to be a Lakeview Cottage Kids Tester:

- *Fill out the online application form*
- *Once you have submitted your application, it will be reviewed and you will be notified if you have been accepted as a tester*
- *Once you are accepted, then you are in the Tester Pool and will be offered an opportunity to test a pattern*
- *Once you are in the Tester Pool, apply to join the Lakeview Cottage Kids Testers Group on Facebook*
- *You can request to be removed from the tester pool anytime between pattern testing*

My patterns are designed for Beginner, Advanced Beginner and Intermediate Level Crocheters. I’m looking for testers who:

- *Are proficient crocheters who can meet gauge accurately*
- *Can check finished measurements*
- *Will evaluate accuracy of measurements, understandability of pattern, spelling and grammar used in pattern*
- *Will purchase yarn/other materials required to create the project*
- *Can make adequate yarn substitutions, in the same weight and gauge, if necessary*

- *Pay attention to details and make notes while working on project*
- *Can meet deadlines (there will be different time allotments, depending on the project)*
- *Will work on project from start to finish*
- *Give me constructive criticism and detailed feedback*
- *Take high quality progress and final photos*
- *Will share photos on Facebook and Instagram*
- *If you agree to test, you are allowing me to use your photos on my blog, Ravelry, Etsy, Instagram and anywhere else where I show and/or sell my patterns.*

What you will get in return for testing my new pattern

- *You can gain experience and confidence in reading patterns*
- *You improve your crochet skills*
- *You get to try new crochet techniques and stitches*
- *You get early access to my pattern*
- *You get a chance to give feedback and help create lovely patterns*
- *You get a free pdf copy of the finished pattern and a discount code for another one of my patterns!*
- *You keep your finished item*
- *You can develop new crochet friendships (I love this part!)*
